Michigan Safe Schools Week – November 6-10, 2006

The goal is to have over 100,000 Michigan students pledging school safety! If you are a law enforcement officer, educator, or a parent concerned in your schools, we are encouraging you to take part in this event by organizing a pledge signing ceremony at your school(s) to coincide with the State Capitol event. This is an excellent opportunity for schools to include community leaders, students, parents and others in promoting Safe Schools. For more information on this event, go to www.cj.msu.edu/~outreach/safe_schools/ssweek.

The database will provide field investigators with valuable information in the investigation of violent crimes of this nature. It will also assist in identifying potential serial or repeat offenders before crimes of this nature escalate in intensity and/or violence. Please contact [Sgt.
